## Le mot de la présidente

Quelqu'un m'a dit un jour : "Les frontières ne sont que pour les êtres humains, les séparant d'un langage, de traditions, de cultures différentes. Mais le photographe et son matériel ne verront jamais de frontière."

Les photographes ont un point en commun, c'est d'écrire avec la lumière.

Ce langage, nous le connaissons tous, il est universel et touche tout le monde.

Le photographe offre à la sagacité des juges, des images, des points de vue qu'il partage.

Ce superbe catalogue va vous permettre de prolonger le voyage et de découvrir le panel des images primées dans cette compétition.

Italie, Chypre, Vietnam, Inde, Portugal et France : 6 pays, 6 jugements différents.

Autant de culture, de sensibilité, et pourtant beaucoup de points de convergence.

Bravo à tous pour les images que vous offrez à un large public au travers d'expositions, de publications, de compétitions, ...

La Worldcup organisée par Image Sans Frontière, c'est :

- 35 PAYS participants
- 288 auteurs acceptés sur les 6 jugements : Chypre, France, Inde, Italie, Portugal, Vietnam

• 22% d'acceptations par pays

• Couleur : 1280 photos reçues, 727 photos acceptées

• Monochrome : 1121 photos reçues, 646 photos acceptées

Un grand merci à toute l'équipe d'"Image Sans Frontière" qui a su mener à bien ce projet, notamment Huu Tri Tran chairman général de la compétition, ainsi que tous les juges et chairmans de chaque pays.

Photographiquement vôtre

Sophie Pouillon

Alternate : Vu Xuan Thao

## A word from the President

Someone once told me: "Borders are only meant for human beings, separating them from different languages, traditions and cultures. But the photographer and his gear will never see a border."

Photographers have one thing in common: they write with light.

We all know this language; it is universal and touches everyone. The photographer offers to the judges' sagacity, images and points of view that he shares.

This catalogue will let you extend the trip and discover the competition's award-winning images.

Italy, Cyprus, Vietnam, India, Portugal and France: 6 countries, 6 different judgments. Different cultures and sensitivities, and nevertheless so many points of convergence.

Congratulations to all for the images you offer to a wide audience through exhibitions, publications, competitions, ...

The Worldcup organized by Image Sans Frontière is:

- 35 participating COUNTRIES
- 288 authors "accepted" by the judges of Cyprus, France, India, Italy, Portugal and Vietnam
- 22% average acceptance per country
- Color: 1280 photos received, 727 photos accepted
- Monochrome: 1121 photos received, 646 photos accepted

Thanks to the whole "Image Sans Frontière" team who successfully carried out this project, and in particular to Huu Tri Tran, General Chairman of the competition, as well as all the judges and chairmen from each country.

Photographically yours

Sophie Pouillon
